

KÖZÉPFOKÚ (B2) MINTAFELADATOK AZ EGYNYELVŰ TÁRSALKODÓ SZÓBELI VIZSGÁN

ELSŐ FELADAT: INTERJÚ (INTERVIEW)

Néhány példa interjú-kérdésekre középfokon:

FAMILY:

What is your picture of the ideal mother/father?

Who do you live together with? What is your relationship with them like?

How has your relationship with your parents and other members of your family changed as you have grown older?

SCHOOL:

Would you recommend other children to choose to study at your secondary school? Why?

What makes a good student?

Would you like to be a teacher? Why? Why not?

MÁSODIK FELADAT: SZEREPJÁTÉK (ROLE PLAY)

Examinee: Your British friend (the examiner) has won a scholarship to a Finnish university. He/she will need to spend nine months in Finland but he is hesitating about accepting it or not because he/she has worries about living abroad.

Examiner: You have won a scholarship to a Finnish university. You will need to spend nine months in Finland but you are hesitating about accepting the scholarship or not because you have worries about living abroad. Ask your Hungarian friend (the examinee) the following questions and listen to his/her good pieces of advice:

“I know that you spent one year in the USA a year ago. What difficulties did you have in the first few months? How did you cope with these difficulties?”

“How did you cope with homesickness?”

“Why is it a disadvantage that I do not speak Finnish?”

“What could be the advantages of spending a semester or two at a foreign university?”

“It might not be possible to get by from the grant I will receive from the university. What do you think of me getting a part-time job?”

HARMADIK FELADAT: ÖNÁLLÓ TÉMAKIFEJTÉS (PRESENTING A TOPIC)

Az alább megtekinthető középfokú (B2) önálló témakifejtés-mintában a téma a HEALTH, majd ezt követően a három választható irányítási szempontot olvashatja, melyek közül legalább kettőt kell kifejtenie monológja során. A képekről nem kell beszélnie.

Now look at the following pictures and ideas. You will have one minute to prepare and then two minutes to talk about the topic. Talk about at least two ideas. The pictures are here only to help you.

HEALTH

- healthy diet
- bad habits
- health and doing exercises
